WIPMEB®

A white ceramic mug with a handle on the left side, filled with a dark liquid, likely coffee. The word "BEGIN." is printed in a black, typewriter-style font on the front of the mug. The mug is placed on a light-colored wooden surface with visible grain. The background is blurred, showing a warm, orange-toned light source. A solid blue horizontal bar is at the top of the image, and a thin black horizontal line is positioned below the mug, with a blue rectangular block at its right end.
